CAREER OPTIONS

The A.S. in Early Childhood Management degree will prepare students for careers working with young children in public/private child development centers and family home child care centers. From child growth and development and early childhood education to program development, you will get a well-rounded education in developmentally appropriate and culturally sensitive practices that help to shape a child’s social, emotional, physical and cognitive development. Graduates of our Early Childhood Management associate degree are qualified to become teachers of children under the age of 3, VPK teachers, home child care operators (family child care) and child care center directors.

Florida State College at Jacksonville does not discriminate against any person on the basis of race, disability, color, ethnicity, national origin, religion, gender, age, sex, sexual orientation/expression, marital status, veteran status, pregnancy or genetic information in its programs, activities and employment.
