	6Hx7-3.59	Employee Use of College Equipment	3 - 74

- (1) All equipment, hardware, software, programs, and other property, in any form whatsoever, owned, leased or otherwise lawfully in possession of the College, is intended for utilization by the College only except as otherwise provided by law or rule to that effect. Any other unauthorized use or appropriation of such property by college employees or other persons is expressly prohibited.

(General Authority: FS 240.319)
